

## **PUBLIC NOTICE**

As required by Act 101, the Pennsylvania Municipal Waste Planning, Recycling and Waste Reduction Law adopted July 28, 1988, Annville Township announces an Act 101 Section 902 Application to the Commonwealth of Pennsylvania Department of Environmental Protection (DEP) for funding of equipment for the collection and transportation of recyclables, green waste, scrap metal, and leaf waste. Annville Township is requesting funding for a compact loader backhoe and roll-off containers. The approximate cost of this equipment is \$95,000.

Any interested person(s) capable of providing a compact loader backhoe and roll-off containers may submit written comments or objections within 30 days of the publication of this notice to:

Nicholas T. Yingst  
Township Administrator  
Annville Town Hall  
36 North Lancaster Street  
P.O. Box 178  
Annville, PA 17003
